Dining at Bolesworth

Prepare to be inspired and delighted as you sample exceptional cuisine against the stunning backdrop of Bolesworth Castle.

Talented duo Paul Heathcote and Gary Bates are the proud owners of Heathcote&Co. Both are renowned Chefs from the North West, celebrated for their passion for using locally sourced, high-quality ingredients to provide a unique dining experience.

Heathcote&Co dates back to 1990, from a small restaurant in Longridge, gaining two Michelin Stars, Egon Ronay Chef of the Year, 3 Catey Awards, and a whole host of accolades from AA to the Good Food Guide.

PAUL HEATHCOTE

Home for Paul is the Ribble Valley, where he settled upon opening

his first restaurant in Longridge in 1990, eponymously called Paul Heathcotes Restaurant.

Paul's career has blessed him with a host of catering accolades and a love of food, drink and the Hospitality industry. Highlights for Paul include catering for Paul McCartney's homecoming, Sir Alex Ferguson's testimonial and a wedding at Sir Terry Wogan's house.

When he's not Cheffing, you'll find Paul Skiing, playing Tennis or Cricket, and may even bump into him on the Golf course.

GARY BATES

Born a Yorkshireman, Gary spent seven years as Executive Head Chef at

The Dalmahoy in Edinburgh before putting down roots in Whalley and then in the Ribble Valley in 1997 when he went into business with Paul Heathcote.

Gary is in his element, either cooking for 750 Executives in a Belfast fish market or 180 guests at MIPIM in a Cannes beach restaurant.

When not wielding a Chef's knife, Gary enjoys Sailing, Open Water Diving and trekking and is always up for a challenge!

Gusbourne Wines at Bolesworth

In 2004, when the first vines were planted at Gusbourne Estate, we had a clear vision and a single goal: to create vintage English Sparkling Wines that would stand up alongside the very finest offerings from across the globe. We've had our sights set on perfection ever since.

Focusing on just the classic grape varieties of Chardonnay, Pinot Noir and Pinot Meunier, we believe that the only way to ensure the quality of our grapes is to grow them ourselves. That's why the grapes used in our winemaking are sourced solely from Gusbourne vineyards in Appledore, Kent and next door to the Goodwood Estate in West Sussex.

We have an uncompromising quest for quality and a fastidious approach to detail that is aligned with our vision to create the finest wines we possibly can. We choose to plant predominantly Burgundian clones. This means that we produce lower yields, but the resultant fruit is riper and has significantly more flavour, making our grapes ideal for the production of fine sparkling as well as still wines.

Our wines are always vintage, unique to each growing season and an authentic reflection of a time and place.
