CUSTOMER REVIEW 2025

Our Host, Nina Barbour

I would like to extend a warm welcome to Cheshire, where my home Bolesworth Castle sets the stage for the Al Shira'aa Bolesworth International across two summer weekends. Already renowned for World-class Showjumping, we enter into a new world... The Art of Horsepower.

We are delighted to be launching our inaugural Concours, which will take place during our opening Classics weekend from 26th - 28th June.

We have been working closely with our Concours Chairman Guy Le Saige de La Villèsbrunne to curate both an exceptional collection, and to bring together a discerning selection of experienced judges.

Uniquely uniting the equestrian and automotive worlds, the event is a true celebration of the Art of Horsepower. For brands, it offers a rare opportunity to engage with a discerning audience at the intersection of performance, craftsmanship and prestige.

I look forward to meeting you personally, and discovering your unique cars, across a very special weekend that promises to be a truly exceptional experience.

Warmest Regards,

Nina Barbour
Managing Director - Bolesworth

Bolesworth Concours Itinerary

We invite you to begin the weekend in style on Friday, as owners take over the Drivers Lawn to present their cars in a celebration of The Art of Horsepower. Judging will commence on Saturday morning, with renowned experts assessing each vehicle to the highest standards, celebrating the craftsmanship, provenance and individuality that make every car exceptional.

While the judging is conducted in a static format, entrants are encouraged to meet the judges beside their car - an opportunity to share the story behind it, highlight its condition or past restorations, and answer any questions. Both authenticity and use are valued, with preservation and historical significance contributing to each score.

Following the morning sessions, entrants and judges will enjoy a well-deserved lunchtime hospitality in the VIP Pavilion, offering panoramic views of both the equestrian and automotive action against the iconic backdrop of Bolesworth Castle - the perfect setting to experience the Al Shira'aa Bolesworth International as a celebration of sport, design and relaxed elegance. The excitement doesn't end with the final fence. As the sun sets, the celebration begins - an evening where guests can unwind, raise a glass and soak up the electric atmosphere long after the last jump.

On Sunday, a selection of Honorary Awards will complement the Class and Runners-Up recognitions. We are delighted to welcome our host, Nina Barbour, who will present the Best of Show awards, bringing the inaugural Art of Horsepower Concours to a distinguished close.

The Power & Grace Final

The winner of each concours class will progress to the final presentation:

This signature moment celebrates the relationship between two forms of horsepower - mechanical and equine.

Each category-winning automobile will be paired with a beautiful horse representing a major equestrian discipline, curated by Bolesworth.

The five pairings will be presented in the International Arena in a carefully choreographed finale. Each winning car will enter the arena before being joined by its equestrian counterpart. A short narration will introduce both the automobile and the equestrian discipline, highlighting their shared qualities of performance, precision and athleticism.

From the five finalists in the Power & Grace presentation, the judges will select the overall Best in Show. The winning pairing will receive The Art of Horsepower Trophy, becoming the defining image of the Bolesworth Concours.

An artist will capture the moment through a painting of the winning pairing, forming the first work in The Bolesworth Art of Horsepower Collection.
